

Easter Flowers 2020

At first we were concerned that we would not be in the sanctuary and it was too late to cancel our Easter flower order, but God has a way of creating opportunity in the midst of trials and our worship is taking place in the sanctuary this morning with gorgeous flowers!!!! Thank you to those who purchased flowers (each line is a flower that was purchased)! If you sponsored a flower and would like to take it (them): they will be available on the parsonage porch Sunday 1-5pm & Monday 9am-12pm, please feel free to stop by and pick them up or contact Rev. Carnes to make other arrangements. Any flowers left after noon on Monday will be delivered to people who are not easily able to leave their homes. If you know someone who benefit from a flower at home or if you would be willing to deliver a flower to someone please contact the church office on Monday.
